Papaya Enzyme Cleanser

AM/PM

energizing facial cleanser for naturally vibrant skin

Dispense a nickel-sized amount into palm of hand. Rub hands together and massage onto face using circular motions. Avoid eye area. Rinse thoroughly and pat dry. Use twice daily.

D·E·J eye cream®

AM/PM

a new pathway to younger-looking eyes

Gently pump a pearl-sized amount. Apply under eye area and along the orbital bone. Avoid direct eye contact. Use twice daily.

Revox™ 7

AM/PM

peptide-rich serum for expression lines

Apply to clean skin prior to moisturizer. Dispense one pump and dab on expression lines around the eyes, forehead, nose and mouth. Avoid direct eye contact. Can also be used on neck. Wait one minute before applying moisturizer. Use twice daily.

D·E·J face cream®

AM/PM

a new pathway to younger-looking skin

Dispense one to two pumps into palm of hand and apply to face, avoiding the eye area. Allow product to absorb before applying sunscreen in the AM. Apply to clean skin in the evening.

Vitamin C Lotion 30%

AM

daily antioxidant with THD Ascorbate for brighter skin

Dispense one pump into palm of hand and apply evenly onto clean face. Avoid eye area. Allow lotion to absorb before applying moisturizer. Use once daily in the morning.

Nectifirm®

AM/PM

proven technology for firming the appearance of the neck

Using upward strokes, gently apply a dime-sized amount onto décolletage, working your way up the neck to the jawline. Use twice daily.
